Dear Mr Majewski

COMPLAINT AGAINST POLICE

I write in response to your recent correspondence with this department to acknowledge receipt and confirm that the correspondence has been forwarded to PC Pratt's supervisor.

As the issues you raise are closely related to matters which are currently under investigation, it would still be inappropriate to investigate this matter at this time.

I will write to you again once the case has reached a conclusion.

Yours sincerely

T J WHITTLE
Joint Head of Complaints & Misconduct Unit
